

Seif Mohamed

Age: 16

Hometown: Cairo, Egypt

Family: his parents and
his sister

"Programming is the art of turning creativity into code."

Goals

- I need to be a software engineer
- I love playing sports
- I love reading and writing

Frustrations

- I hate chatter
- Limited tech resources.
- Balancing interests.

Safe Mohamed, a 16-year-old from Cairo, Egypt, is a tech-savvy programmer. He aspires to become a software developer to create technology that enhances people's lives. He lives with his parents and adores his younger sister.
